Sir,

In forwarding herewith the Kannada papers ending with the Mudigere Taluk Amildar's report no c 1 regarding an estimate for Rs 217/- for constructing a zinc roofing in continuation of the existing roofing of the Sri Kalaseswara Swamy temple at Kalasa in the Mudigere Taluk, I have the honor to state that I visited the temple in question yesterday and found the work referred to was very necessary. The place being in the centre of the malnad, I am of opinion that this work is necessary for the protection of the temple proper.

2. To keep the rain out during monsoons a sum of Rs 39/- is being provided for annually in the Jasdik Patty framed in the year 1897 for providing monsoon thatties, and this charge is being incurred every year.

3. The Amildar therefore proposes and I recommend that zinc roofing may be provided for, at a cost of Rs 217 once for all, in lieu of monsoon thatties at an annual cost

I, therefore, solicit early sanction to the within Estimate, the charge being met out of the amount at the credit of the temple in question.

I have the honor to be
Sir
your most obedient servant

Deputy Commissioner
